ATTENTION: PAUL NEWMAN

Dear Paul,

Just wanted to put pen to paper and send through an official thank you from the Howling Wolf Company team.

Again it's been such a pleasure to work with you, we realize this has to have been one of your more 'stressful' events, however we have to add that from our side you were always the professional...thank you Paul.

Not long now and you and Simone will be venturing into the best production of all...parenthood! Since you handled the WWF/Limpopo job with such "ease" we know parenthood is going to be a breeze. We wish you both lots of love, gurgly smiles and few smelly nappies....

From the girls at Howling Wolf

Best wishes
