**THE HERITAGE DAY CONCERT 2002**

On behalf of Fluid Media, I would like to thank you for your involvement on The Heritage Day Concert 2002.

The staging and production of a show of this nature takes a dedicated and professional team and I am proud to say that we had an exceptional group throughout this production. We have had so many positive comments regarding the show and because of your dedication and commitment in all areas, the show has been recognised as a major success.

I have always said that Fluid Media are only as good as the people around them and I can honestly say that we are looking extremely good at the moment.

Thank you for your continued support and I look forward to future successes together.

Sincerely,
